

DUI checks increased at 'Classic'

The "Avoid the Eight" DUI Enforcement Task Force will conduct an intensive DUI saturation enforcement effort during the Causeway Classic football game between UC Davis and Sac State today.

Maximum saturation enforcement is scheduled from noon to 6 p.m. today throughout the city of Davis.

Participating agencies include Officers from the California Highway Patrol, Yolo County Sheriff's Department, Yolo County Probation Department, and the Davis, West Sacramento Sacramento, Winters, Woodland, and UC Davis Police Departments.

DUI "Avoid" campaigns are so named to encourage motorists to "avoid" being arrested for a DUI by not drinking and driving.
